In superyacht charter the EXCELLENCE name is synonymous with the highest standards in quality, service and entertainment.

In this, the sixth yacht to bear the name, her owner has worked closely with Winch Design and Abeking & Rasmussen to create an extraordinary and groundbreaking yacht. An interior flooded with natural light redefines the connection with your surroundings and nowhere is this better expressed than in her uniquely impressive triple-height glass atrium.

Other alluring features include a private owner's deck with

jacuzzi and sun lounging aft, terrace with seating forward and sensational views through angled full-height windows in the master suite and lounge. The sun deck is home to another jacuzzi and there is a large pool on the main deck aft with swim up bar. The main deck is also home to guest accommodation with six double cabins, each with its own colour scheme, a tiered cinema, spa with sauna and a gym.

Steps lead down to a large and welcoming beach club with sea terrace and day head and bathing steps on the swimming platform aft provide easy access to the water. Guests on board EXCELLENCE also enjoy exclusive use of two exquisite custom limo tenders crafted by Hodgdon.
